

***Marysville Historical Society lost their collection
on Saturday 7 February 2009 &
Kinglake Historical Society also needs your support***

This is how you can help the Historical Societies at Marysville & Kinglake

Look at your own material at home.
Select photographs, postcards, ephemera, family history or stories of Marysville or Kinglake from your own collection. Scan material to A4 size in high resolution (300dpi+) and forward to my email address or contact me to arrange the scanning:

**Don't forget to supply as much information
as you can on each scanned item.**
